

# Application of Molecular Biology Techniques to Tropical Diseases

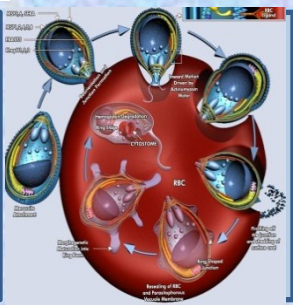

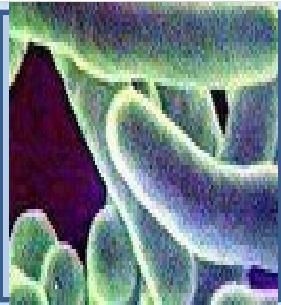

A Celebration of Excellence  
 May 2-3, 2013  
 University of Buea, Cameroon

The Scientific Laudation of Prof Vincent Pryde K. Titanji

## Celebration Agenda

Pr. Liljas Lecture Series - 1 week - Science & Dev  
 May 2 - Posters, Symposium, Guest Lecture  
 May 3 - Laudation, Response, Reception

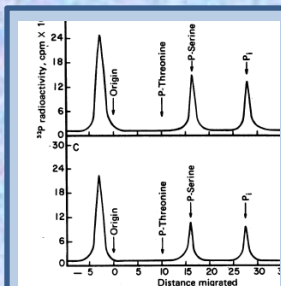

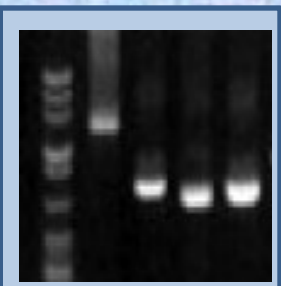

## Calendar of Preparations

Declaration of Intent: Jan 20, 2013

Submissions - March 15., 2013

Booklet Production - April 15, 2013

## Periods

## Agenda Details

MAY 1

- 16H00 Arrival of Scholars, Past students and Biochemists lodging logistics  
Set up of Posters
- 19H00 Preparatory dinner with Prof Titanji and seeding of the program

MAY2

- 08H00-09H30 Arrival of Scholars to the Symposium Registration  
Welcome Word  
4 Plenary lectures followed by papers in  
Phyto-biochemistry and Drug development
- 09H30-13H00 Enzymology and Protein Chemistry  
Diagnostics and Parasite Biochemistry  
Molecular Biosciences and Vaccine Research  
Invited Guest Speaker
- 13H00-14H00 Lunch
- 14H00-16H00 Career Heights of Prof Titanji's past trainees:  
increasing order of age  
Group Photo
- 17H00 Historical Appraisal of Capacity Strengthening Efforts of the Molecular  
Parasitology Group from Prof. Titanji
- 19H-23H Dinner lecture and laboratory Jokes - From the Laboratory of Prof. Titanji  
Dinner offered by his former students

MAY 3

- 8H-9H Poster Viewing
- 9H00 Arrival of invitees and musical animation
- 09H30 Arrival of dignitaries and settling in of guests  
Music Pieces
- 10H00 Introduction of officials and welcome word
- 10H30 Addresses from learned Societies & Colleagues  
Musical Interlude
- 11H30 Parade of his trainees and laying of the pens – Part I  
Musical interlude
- 12H00 Parade of his trainees and laying of the pens – Part II
- 12H30 Laudatio Scientifica  
Musical Interlude
- 13H00 Address from Academia/MINESUP and Response from Prof VPK. Titanji  
Handel – The Messiah
- 14H00 Reception and Cocktail
